

HOW CAN I FUNDRAISE?

You can raise vital funds for people in need in many different ways. Here are some ideas:

AUCTION

One person's junk is another's treasure!

Have an auction night, not only with your own unwanted gear, but also with donated items, and see how much recycled goods are worth.

AFTERNOON TEA

Perfect for a women's or girls' group, an afternoon tea is a fun way to reconnect, relax and give to a

worthy cause.

BAKE SALE

If you love to bake why not get together with other bakers and have a bake sale to fundraise! Invite the community to contribute and attend.

BAND NIGHT

Organise groups or individuals to sing and charge an entry fee. You can even sell drinks and snacks to make some extra bucks.

BARBEQUE

Whether it be at your house, at the local park, at your church, you can raise a lot by selling simple food.

CAR WASH

Car washes are a great way to fundraise in your community. Grab some volunteers and set up a washing area in your church car park!

COLOUR RUN

Fitness. Fun. Friends.

Join a colour run, seek sponsorship and help people in need. A win-win fundraising activity.

COOKING CLASSES

Food, food, glorious food! Hold cooking classes for small groups and share your recipes and cooking skills. Charge a participation fee, advertise your event around your community and get ready to cook up a storm for a good cause.

DIY

Do you have a skill that you can teach others? Organise a DIY workshop, invite some friends and charge a fee in support of your chosen ADRA cause.

DINNER

A themed dinner will bring out the best in costume and food. The theme could be a particular cuisine, a historical period or a specific colour. Enjoy fundraising while you have fun and be creative.

Funds you raise can help communities access clean water.

EXHIBITION

You may be an artist yourself, know or work with artists, or just have artistic children at your school, preschool or church. Raise funds by holding an exhibition for an entry fee and auction artworks to friends, parents and grandparents.

FUN RUN

With a few prizes that can be donated by local businesses for the winning person/age group, fun runs can be a great way to get your community involved and to raise funds by charging an entry fee.

FAIR

Join a local fair and donate proceeds to an ADRA project that inspires you.

GAMES AFTERNOON OR NIGHT

Everyone loves a games' night! All you need is to collect games, determine whether you want teams of players or individual participants, and have a few prizes for the winners. Sell simple foods and you will be surprised how easy and fun fundraising can be.

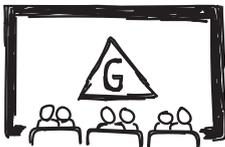

GARAGE SALE

This is a very simple way of getting rid of unwanted items and using the profits for your fundraising.

INTERNATIONAL NIGHT

Traditional foods, musical items and cultural dress. Celebrate your community's diversity by asking volunteers to make contributions based on their cultural heritage.

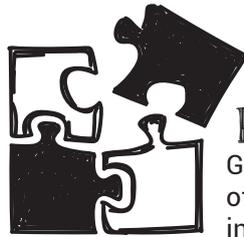

MOVIE NIGHT

A movie night is a fun and flexible fundraiser where you can sell movie tickets, snacks and food. Make sure you check out the copyright laws first.

NIGHT MARKETS

Organise a Night Market

at your school, church or local park. Charge stall holders a fee and sell donated items in support of your chosen cause.

JUMBO PUZZLE

Gather a group of friends, invest in a jumbo puzzle and book a few sessions of puzzle making. Charge a fee for participation.

KARAOKE

All-time favourite songs can make for a great singing competition. Add a ticket and the purchase of food and you are bound to have a good time and raise some good money.

RIDE FOR ADRA

If you enjoy riding – a bike, a motorbike, a scooter or a horse! – organising a RIDE FOR ADRA and asking for sponsorship would be a healthy way of raising much needed funds.

TALENT NIGHT

Why not get your community together to perform and share their amazing talents. Talent nights are an entertaining way to raise funds, charge an entry fee and sell refreshments.

ZERO

'Fast' from anything that is meaningful to you and ask your family and friends to sponsor you for your perseverance and self-control.

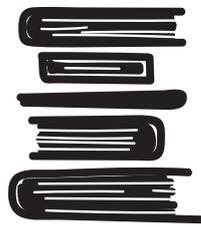

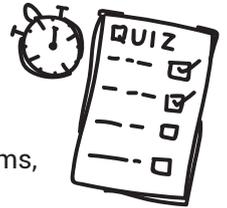

PARTY

Host any party – birthday, graduation, engagement or anniversary and ask for a donation instead of gifts.

QUIZ FUN

Any topic could be turned into a fun quiz event. Advertise for teams, charge a fee and enjoy some healthy competition while raising funds for the ADRA Appeal

USED

BOOKS DAY

Collect used books, set up tables at home, school or church and ask people to make a donation for books they want to buy.

VEGETABLE PATCH

So, your vegetable patch is doing well and you have spare produce, or you live close to a farmers' market and can collect vegetables that farmers choose to give away. You can sell these vegetables and use the profits to support one of ADRA's Livelihood projects.

WALK-A-THON

Challenge yourself to walk a long distance and ask your friends, family and workmates to sponsor you.

TREASURE HUNT

Why not organise a treasure hunt in the local park and charge a participation fee?
