2022 ADRA Appeal Edition

"My name is Joyce, I am 12 years old. I am so happy that we have clean and running water. Now I can quickly fetch water before I go to school. Thank you everybody who helped change my life!"

Clean water in Zambia

Tukomane 'Happiness' village in the Chirundu District in southern rural Zambia is home to 2,500 people. Like most rural populations Tukomane is dependent on rain-fed farming and the villagers are trapped in a constant cycle of poverty and persistent hunger with limited livelihood options.

The only source of water for the community was a single 10-year-old hand pump that regularly broke down. Often, women had to walk 6 kms to the river Zambezi to find alternative water.

Through the 2019 Christmas appeal ADRA-UK provided funding that supported the rehabilitation of the Tukomane water system.

There are four solar panels that power an electric pump which feeds a closed water system. The rehabilitated water system now has the capacity to provide water to all the community and to provide water for over 3,000 goats and cattle.

The villagers now have access to clean and safe drinking water on tap for most hours of the day. This represents a substantial improvement in the quality of life for the villagers and their livestock. The women and children do not have to travel long distances to fetch water. The water system...

The Adventist Development and Relief Agency - UK has been working to end extreme poverty in some of the poorest areas of our world, since 1999. Here in the UK, we are empowering local churches to help those in need. To achieve these goals, we collaborate with governments, ADRA network offices, local churches and other organisations. Together, we are working to lift people out of poverty, establish hope, empower communities, and provide positive change. Your financial support is critical!

...will also greatly reduce chances of community members contracting water borne diseases and COVID 19 as they will have access to clean water which they can use to practice regular handwashing. The water system will also improve hygiene standards of all the beneficiaries. All the animals, which are a source of income for their livelihoods, will also have access to water.

Thanks to your financial support. It is through projects like this, that we can have a direct impact on the lives of some of the world's most vulnerable people.

Happy to Learn

Five-year-olds are famous for their noise, exuberance, and eagerness to learn. ADRA believes that every five-year-old should have the opportunity to play, learn and develop. However, in Northern Shan State in rural Myanmar, 5-year-old Ciang Suan Gin was denied these opportunities because he was born with a hearing impairment.

Ciang is not the only disabled child in his family. Two of his elder brothers also have hearing and intellectual impairments. His parents are farmers but the proceeds from the land and the animals they keep are insufficient for the family to exist. Both his parents often must go away to do casual work to provide for the family.

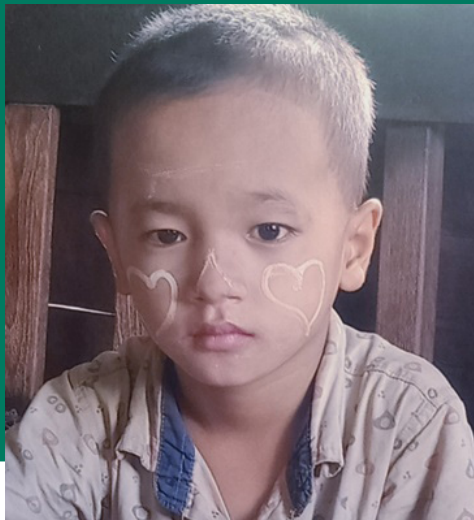

Because of his hearing impairment, his family and the community thought that little Ciang could not learn. ADRA's CASE2Learn project heard about Ciang and visited with the family.

ADRA is now providing basic education for Ciang at home with a sign language teacher. He is taught the national curriculum for 5-year-olds, and he is also provided with all the necessary learning materials. He is doing very well and is an intelligent little boy.

Signing Ciang said: "Thank you ADRA! I am very happy to learn A, B, C with my teacher. I want to go to school with my friends."

The CASE2Learn project is co-funded with the European Commission.

We can't do it without you!

Your support makes our work possible - *Thank You*

£10

Helps... to provide access to basic toilet facilities and provide hygiene training

£20

Helps... to give disadvantaged children access to education

£50

Helps... us to respond to disasters immediately

Support ADRA today! Here's how:

Online

Go online to make a payment by debit or credit card: <https://is.gd/1iIFCE> or scan this QR code:

By post

Write a cheque (made payable to ADRA-UK) and send it to us at ADRA-UK, Stanborough Park, Watford, WD25 9JZ

By bank transfer

Call us on **030 30 40 10 17** (Mon-Thu 10:00-16:00) to request our bank details for a BACS transfer

Visit adra.org.uk/donate

Direct Debit

Even better, to help us plan ahead, why not complete a Direct Debit form online here: <https://is.gd/Rhwx7M> or scan this QR code:

By phone

Make a payment by debit or credit card by calling **030 30 40 10 17** (Mon-Thu 10:00-16:00)

(SMS) Message

Make a £5 donation now using your phone:

Text ADRA to **70470** to donate £5

Texts cost £5 plus one standard rate message.

Every £1 is matched 10 times in overseas projects

Making it all count...

Our Purpose

To serve humanity so all may live as God intended.

Our Motto

Justice. Compassion. Love

What we do

We are the global humanitarian arm of the Seventh-day Adventist Church—part of the 20-million strong Adventist community, with hundreds of thousands of churches globally and the world's largest integrated healthcare and education network. We deliver relief and development assistance to individuals in more than 130 countries—regardless of their ethnicity, political affiliation, gender, or religious association. By partnering with local communities, organisations, and governments, we can deliver culturally relevant programmes and build local capability for sustainable change.

Read more about us here: adra.org.uk/about/

Your gift will go to men, women, and children that are in dire need of aid right now! ADRA-UK's mission is to work with those most in need – whether they are suffering through poverty or have been affected by a disaster – the 2022 ADRA Appeal fund enables ADRA to reach out right away and make a positive change.

Funds raised in 2022 will also help to:

- Provide access to education to out-of-school children in rural Myanmar
- Create awareness and help respond to COVID-19 in Ghana
- Respond to international disasters
- Give girls in South Sudan access to education and research facilities
- Help prevent exploitation of migrant workers in Thailand
- Improve livelihoods through sustainable dairy farming in Nepal (planned)
- Feed, clothe, connect, and empower people in the UK to overcome hardships
- Provide access to clean water and help climate change adaptation in Sri Lanka

In **2021** we helped over **900,000** people in **13** countries. **53%** of our beneficiaries were children. In **2020** we spent **97.5%** of our expenditure on charitable activities
