Legal Statement

We present this report and financial statements of the charity for the year ended 31 December 2022 which have been audited by Moore Kingston Smith LLP. The Charity also operates and is identified under the acronym ADRA-UK.

The financial statements have been prepared in accordance with the accounting policies set out in Note 1 to the accounts and comply with the Charity's trust deed, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland.

Adventist Development and Relief Agency – UK Trustees' Report

Year Ended 31st December 2022

Structure, governance and management of ADRA-UK

a. Constitution

The Charity was established by Trust Deed dated 24 November 1998 (updated in 2001 and 2008). The principal object of the Charity is to apply financial, material, and technical resources toward:

- a. The relief of poverty, sickness and distress of those in need, resulting from the effects of war, famine or any other natural or man-made disaster anywhere in the world;
- b. Addressing the long-term effects of poverty;
- c. The education of the public concerning the causes, effects and means of alleviation of poverty and distress.

There has been no change in objectives since the last report.

b. Method of appointment and election of trustees

The management of the Charity is the responsibility of the Trustees who are elected and co-opted under the terms of the Trust deed.

c. Organisational structure and decision making

The Charity is governed by its Board of Trustees. It is part of the international network of offices of the Adventist Development and Relief Agency – International and works in co-operation with other offices in the network in implementing approved projects.

d. Risk management

The Trustees have assessed the major risks to which the Charity is exposed, in particular those related to the operations and finances of the Charity and are satisfied that systems and procedures are in place to mitigate our exposure to the major risks.

Statement of Financial Activities (SOFA)

The SOFA shows a surplus of £209,714 (2021: Surplus of £122,476). This was expected by the Trustees.

Income

Donated income is made up of general donations, donations received by the churches, legacies and the Appeal donations. The Charity's main donor base consists of members of the Seventh-Day Adventist Church. Donated income increased by 46% in comparison to 2021, which was primarily related to the Ukraine appeal. Also, in 2021 the effects of the pandemic hampered normal fundraising activities. The Charity is grateful to its donors for their continued giving, as these funds go a long way towards helping those in need both here in the UK and abroad.

Our main projects include the European Union funded Sri Lanka 'Assisting Communities in Creating Environmental and Nutritional Development'(ACCEND) which was completed in 2022 and Sri Lanka 'Rural & Estate Communities in Creating Environmental & Nutritional Development' projects which was launched at the end of the year. The UK Foreign, Commonwealth and Development Office (FCDO) funded 'Girls Education South Sudan' GESS project in South Sudan is on-going. The Jersey Overseas Aid funded 'the Enhanced Rural AI' project for smallholder Dairy Farmers in Nepal and also in

Adventist Development and Relief Agency – UK Trustees' Report

Year Ended 31st December 2022

conjunction with the Royal Jersey Agricultural and Horticultural Society funded 'Jersey Breed-Focused Dairy Development in Zambia' were both launched during the year.

The major emergency in 2022 surrounded the conflict in Ukraine. We raised over £200,000 towards humanitarian needs with our teams working on the ground in the surrounding countries of Moldova, Romania, Poland, Hungary, Slovakia and Ukraine.

Expenditure

Restricted expenditure on charitable activities, which consists of project costs funded by FCDO and the EU, saw a large decrease in comparison to 2021. This was largely due to the completion of the multi-million Yemen project.

As part of project grant conditions, ADRA is often required to contribute towards funding a proportion of the project costs, i.e., match funding. In addition to this, ADRA-UK finances small projects directly. The match funding and the small project funding thus constitute the unrestricted expenditure on charitable activities. In 2022, the unrestricted charitable expenditure increased by £77,959, reflecting the support to the Ukraine emergency.

In 2022, the charity did not engage in as many fundraising activities thereby resulting in continued low levels of expenditure on raising funds, in particular door to door fundraising.

Balance Sheet

The amount of Cash held in the Bank decreased by £12,066 largely due to timing of the projects' income and expenditure. An increase in Debtors and Creditors is reflected in the Balance Sheet as a result of the advances on projects to ADRA overseas implementing offices (debtors) and from donors (liabilities) on the projects.

ADRA-UK also advanced funds to partnering ADRA offices to facilitate project implementation. Funds that were unused by these offices are recognised as Debtors. The Debtors was mainly driven by the advances to South Sudan and Sri Lanka projects.

Principal Funding

ADRA-UK's success is substantially dependent on winning projects supported by institutional donors (the European Union (EU), the FCDO, Jersey Overseas Aid, UN agencies), and on its Appeals and Campaigns. The Charity is also supported through donations and legacies by members of the Seventh-day Adventist Church.

Material Investments Policy

ADRA-UK seeks to respond to emergent needs and thus maintains its reserves in deposit funds or Money Market interest-bearing accounts. It has also been the recipient of investment equities and bonds, which have been retained.

Reserves Policy

The Charity's Reserves are separated into three main categories (See Statement of Changes in Fund Balances):

Adventist Development and Relief Agency – UK Trustees' Report

Year Ended 31st December 2022

- Restricted funds are generated when the donor stipulates how their donation may be spent. At the year end, restricted funds amounted to £161,676.
- Unrestricted funds are generated when donors do not stipulate how their donation must be spent. At the year end, unrestricted funds amounted to £2,241,666.
- Unrestricted funds include designated funds which are those that have been set aside by the Trustees for a specific purpose such as project funding. At the year end, unrestricted designated funds amounted to £295,821.

Public Benefit

In setting plans and priorities for areas of work, the Trustees have given regard to guidance from the Charity Commission on the provision of public benefit. The Trustees have considered and will continue to consider how our planned activities will contribute to the objectives we have set. How we deliver our principal objective “reduction of poverty in the relief of suffering particularly in situations of disaster” is demonstrated in our policies, objectives, and plans.

The public benefit arising from our work is inherent in the grants made and the assistance given. Further we are mindful of the social, moral, and ethical causes of poverty and our purpose is to address both the causes and offer relief in outcome.

Key Management Personnel

The Trustees consider the board of Trustees, Chief Executive Officer, Chief Finance Officer and Chief Programmes Officer as comprising the key management personnel of the Charity, in charge of directing and controlling the Charity and running and operating the Charity on a day-to-day basis.

All Trustees give of their time freely and no Trustee remuneration was paid in the year. Details of Trustee expenses and related party transactions are disclosed in note 20 of the accounts.

Trustees are required to disclose all relevant interests and register them with the Chief Executive. None of the Trustees had financial interests with the Charity or its Parent; any such interests would be disclosed.

Trustee Induction and training

Prospective new Trustees are familiar with the Charity as they will have been associated with the Agency in some way. New Trustees are invited for an induction day with senior staff at the Agency. New Trustees are provided with information which outlines specific responsibilities and expectations of both the Trustees and the Charity. On-going training is offered to all Trustees, which includes events and courses that are organised both internally and externally. Beyond this, Trustees are invited at times to monitor projects both as ambassadors and consultants.

The Trustees are responsible for preparing the Trustees' Annual Report and Financial Statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice.)

The law applicable to charities in England and Wales requires the Charity Trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources, of the Charity for that period. In preparing the financial statements, the Trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the Charities SORP;
- Make judgements and estimates that are reasonable and prudent;

Adventist Development and Relief Agency – UK
Trustees' Report

Year Ended 31st December 2022

- State whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charity Accounts and Reports Regulations 2008 and the provisions of the Trust Deed. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Statement of Disclosure to Auditors

So far as the Trustees are aware, there is no relevant audit information of which the Charity's auditors are unaware; and The Trustees have taken all the steps that they ought to have taken as directors to make themselves aware of any relevant audit information and to establish that the Charity's auditors are aware of that information.

**Adventist Development & Relief Agency – UK
Independent Auditors' Report
Year Ended 31 December 2022**

**Independent Auditor's Report to The Trustees of The Adventist
Development Relief Agency United Kingdom**

Opinion

We have audited the financial statements of the Adventist Development Relief Agency United Kingdom for the year ended 31 December 2022 which comprise the Statement of Financial Activities, the Summary Income and Expenditure Account, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 'The Financial Reporting Standard Applicable in the UK and Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 December 2022, and of its outgoing resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the Charities and Trustee Investment (Scotland) Act 2005 (as amended), regulations 6 and 8 of the Charities Accounts (Scotland) Regulations 2006 (as amended) and the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs(UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the audit of financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Adventist Development & Relief Agency – UK
Independent Auditors' Report
Year Ended 31 December 2022

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities Act 2011 and the Charities Accounts (Scotland) Regulations 2006 (as amended) requires us to report to you if, in our opinion:

- the information given in the Trustees' Annual Report is inconsistent in any material respect with the financial statements; or
- the charity has not kept adequate accounting records; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement set out on page 4, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with regulations made under section 154 of that Act and Section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists.

Adventist Development & Relief Agency – UK
Independent Auditors' Report
Year Ended 31 December 2022

Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs (UK) we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purposes of expressing an opinion on the effectiveness of the charity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the charity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Explanation as to what extent the audit was considered capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below.

The objectives of our audit in respect of fraud, are; to identify and assess the risks of material misstatement of the financial statements due to fraud; to obtain sufficient appropriate audit evidence regarding the assessed risks of material misstatement due to fraud, through designing and implementing appropriate responses to those assessed risks; and to respond appropriately to instances of fraud or suspected fraud identified during the audit. However, the primary responsibility for the prevention and detection of fraud rests with both management and those charged with governance of the charity.

Our approach was as follows:

- We obtained an understanding of the legal and regulatory requirements applicable to the charity and considered that the most significant are the Charities Act 2011, the Charity SORP, and UK financial reporting standards as issued by the Financial Reporting Council
- We obtained an understanding of how the charity complies with these requirements by discussions with management and those charged with governance.

Adventist Development & Relief Agency – UK
Independent Auditors' Report
Year Ended 31 December 2022

- We assessed the risk of material misstatement of the financial statements, including the risk of material misstatement due to fraud and how it might occur, by holding discussions with management and those charged with governance.
- We inquired of management and those charged with governance as to any known instances of non-compliance or suspected non-compliance with laws and regulations.
- Based on this understanding, we designed specific appropriate audit procedures to identify instances of non-compliance with laws and regulations. This included making enquiries of management and those charged with governance and obtaining additional corroborative evidence as required.

There are inherent limitations in the audit procedures described above. We are less likely to become aware of instances of non-compliance with laws and regulations that are not closely related to events and transactions reflected in the financial statements. Also, the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion.

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with Chapter 3 of Part 8 of the Charities Act 2011 and to the charity's trustees, as a body, in accordance with Section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to any party other than the charity and charity's trustees as a body, for our audit work, for this report, or for the opinion we have formed.

Adventist Development Relief Agency -UK

Notes to the Accounts For the year ended 31 December 2022

Note 1 - Accounting Policies

a. Basis of preparation

The accounts (financial statements) have been prepared under the historical cost convention with transactions recognised at cost or transaction value unless otherwise stated in the relevant note to these accounts. These financial statements have been prepared in accordance with the statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

b. Going Concern

The Trustees have assessed whether the use of going concern is appropriate and have considered possible events or conditions that might cast significant doubt on the ability of the Charity to continue as a going concern. The Trustees have made this assessment for a period of at least one year from the date of the approval of these financial statements. In particular, the Trustees have considered the Charity's forecasts and projections and have taken account of pressures on income.

Restricted expenditure on charitable activities, which consists of project costs funded by FCDO and the EU, saw a large decrease in comparison to 2021. This was driven by large projects ending in the year. However, the Charity continues to receive grants and ad hoc donations and seeks to win new projects in the future. Furthermore, as at 31 December 2022 the Charity had cash reserves of just over £2 million, which the Trustees believe is sufficient for the charity to meet its liabilities as they fall due.

After making enquiries, the Trustees have concluded that there is a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future being at least 12 months from the date of signing the financial statements. The Charity therefore continues to adopt the going concern basis in preparing its financial statements.

c. Funds structure

Restricted income funds are funds which are to be used in accordance with specific restrictions imposed by the donor or trust deed.

Unrestricted income funds comprise those funds which the Trustees are free to use for any purpose in the furtherance of charitable objects. They include designated funds where the Trustees, at their discretion, have created a fund for a specific purpose. Further details of each fund are disclosed in note 19.

Designated funds for named projects (Note 19) are unrestricted funds. This includes those funds set aside by the Trustees in order to meet the Charity's contractual obligations for funding the Charity's share of project costs. This is usually in relation to the Charity's contracts with the UK Government and the European Union.

d. Grant-making policies

The Trustees allocate grants in accordance with the objects set out in Charity's governing document as summarised in the Trustees' Annual Report.

Adventist Development Relief Agency -UK

Notes to the Accounts For the year ended 31 December 2022

e. Income recognition

All income is recognised once the Charity has entitlement to that income, it is probable that the income will be received, and the amount of income receivable can be reliably measured.

Donations are recognised when the Charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance before the Charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the Charity and it is probable that those conditions will be fulfilled in the reporting period. Provisions for grants are made when the intention to make a grant has been communicated to the recipient but there is uncertainty as to the timing of the grant or the amount of grant payable. Irrecoverable VAT is charged against the expenditure heading for which it was incurred.

Legacies are recognised following the granting of probate when the administrator/executor for the estate has communicated in writing both the amount and settlement date. In the event that the gift is in the form of an asset other than cash or a financial asset traded on a recognised stock exchange, recognition is subject to the value of the gift being reliably measurable with a degree of reasonable accuracy and the title to the asset having been transferred to the Charity.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the bank. Dividends are recognised once the dividend has been declared and notification has been received of the dividend due. This is normally upon receipt of a dividend voucher and related cash.

f. Expenditure recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the Charity to that expenditure, it is probable that settlement will be required, and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis. All expenses including support costs are allocated or apportioned to the applicable expenditure headings.

Grant awards that are subject to the recipient fulfilling performance conditions are only accrued when the recipient has been notified of the grant and any remaining unfulfilled condition attaching to that grant is outside of the control of the Charity.

Adventist Development Relief Agency -UK

Notes to the Accounts For the year ended 31 December 2022

Provisions for grants are made when the intention to make a grant has been communicated to the recipient but there is uncertainty as to the timing of the grant or the amount of grant payable.

g. Irrecoverable VAT

Irrecoverable VAT is charged against the expenditure heading for which it was incurred.

h. Foreign currency

Transactions denominated in foreign currencies are translated into Sterling at the rate of exchange ruling on the date of the transaction. Assets and liabilities in foreign currencies are translated into Sterling at the rates of exchange ruling at the end of the financial year. All exchange differences are recognised within the statement of financial activities.

i. Tangible fixed assets and depreciation

All assets costing more than £1,000 are capitalised and valued at historical cost.

Depreciation is charged over their estimated useful life as follows:

Property (portable office): 10% straight line

Office fixtures and equipment: 33.33% straight line

j. Current asset investments

Investments are a form of basic financial instrument and are initially recognised at their transaction value and subsequently measured at their fair value at the balance sheet date using the closing quoted market price (note 13). The statement of financial activities includes the net gains and losses arising on revaluation throughout the year.

The Charity does not acquire put options, derivatives or other complex financial instruments.

The main form of financial risk faced by the Charity is that of volatility in equity and investment markets due to wider economic conditions, the attitude of investors to investment risk, and changes in sentiment concerning equities and within particular sectors or sub sectors.

k. Realised and unrealised gains and losses

All gains and losses are taken to the Statement of Financial Activities as they arise.

Realised gains and losses on investments are calculated as the difference between sales proceeds and their opening carrying value or their purchase value if acquired subsequent to the first day of the financial year.

Adventist Development Relief Agency -UK

Notes to the Accounts For the year ended 31 December 2022

Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value.

Realised and unrealised investment gains and losses are combined in the Statement of Financial Activities.

I. Pensions

Employees of the Charity are entitled to join a defined contribution 'money purchase' scheme. The Charity contribution is restricted to the contributions disclosed in note 9. There were no outstanding contributions at the year end. The costs of the defined contribution scheme are included within charitable activities or fundraising costs and charged to the unrestricted funds of the Charity on the basis of the employees employed under each of those activities.

The Charity previously participated in a defined benefit pension scheme of the British Union Conference of Seventh Day Adventists. This scheme closed to service after 31 December 2013.

ADRA-UK became a charity after the historic deficit was established and does not contribute to the recovery plan. From 1st January 2014, contributions have been made under the Auto-Enrolment compliance legislation by the employer to a Defined Contribution plan invested with the Legal and General insurance company (see note 9).

Notes to the Accounts For the year ended 31 December 2022

Note 8 - Paid Employees

| | 2022 | | | 2021 | | |
|-------------------------------|--------------------|------------------|----------------|--------------------|------------------|----------------|
| | Unrestricted Funds | Restricted Funds | Total | Unrestricted Funds | Restricted Funds | Total |
| Note 8.1 - Staff Costs | £ | £ | £ | £ | £ | £ |
| Salaries and Wages | 297,838 | - | 297,838 | 300,917 | - | 300,917 |
| Social Security Costs | 32,873 | - | 32,873 | 34,488 | - | 34,488 |
| Pension Costs | 22,967 | - | 22,967 | 43,388 | - | 43,388 |
| Other Employee Benefits | 8,835 | 1,765 | 10,600 | 8,898 | - | 8,898 |
| Total Staff Costs | 362,513 | 1,765 | 364,278 | 387,691 | - | 387,691 |

During the reporting period, the number of employees receiving employee benefits of £60,000 or more excluding Employer Pension Costs and National Insurance was 1 (2021: 1).

The total amount of employee benefits including employer pensions paid for key management personnel for their services to the Charity was £152,071 (2021: £167,208). This does not include Employer National Insurance.

None of the Trustees were remunerated for their services as Trustees to ADRA-UK nor did they accrue any retirement benefits.

8.2 Average Head Count in the year

The parts of the Charity in which the employees work:

| | 2022 | 2021 |
|-----------------------|----------|----------|
| Charitable Activities | 8 | 8 |
| Total | 8 | 8 |

Note 9 Pensions

Note 9.1 Defined contribution pension scheme
