DISASTER AND FAMINE RELIEF OFFERING

Your gift to the Disaster and Famine Relief Offering (DFRO) helps ADRA to be ready and there, when a disaster strikes.

Dear Church Family,

We invite you to join Seventh-day Adventist churches around the world in supporting the annual Disaster and Famine Relief Offering (DFRO). This is being collected globally on Sabbath May 10th. (Please feel free to collect on a date suitable for your congregation as we are mindful that UK churches are currently in their annual appeal period).

Your gift will allow ADRA and churches to be ready and to be there - responding swiftly to disasters, feeding the hungry, and helping communities rebuild.

Whatever you can give will be precious and contribute to food packs, hygiene supplies, shelter and help disaster survivors or families suffering from hunger and to those urgently in need.

Through your support, you can join us in serving humanity so all may live as God intended. Your giving makes a real difference—not just meeting physical needs, but also bearing witness to the love of Jesus in action.

When the earthquake hit central Myanmar, communities were devastated. Many are still in need of your support as they struggle to rebuild their lives following the aftermath of the destruction.

In times of crisis, God calls us to be His hands and feet in a world that is hurting. This year, we have seen how the love of Christ—expressed through your generous giving—has brought hope and relief to thousands of people facing hardship.
